

ECS::Entity

```
classDiagram
    CollisionEvent --|> ECS::Entity
```

The diagram illustrates a generalization relationship between two classes. At the top is a white box labeled 'ECS::Entity'. At the bottom is a gray box labeled 'CollisionEvent'. A dashed purple line connects the two boxes, ending in a solid purple arrowhead pointing towards 'ECS::Entity'. To the right of the dashed line, the text 'collidingEntity' and 'movingEntity' is displayed in a light gray font, stacked vertically.
